ExcelOne®Carbonless. Digital & Offset.

ExcelOne® Carbonless is GUARANTEED to run on all of your forms equipment, both digital & offset. Our performance is reliable and consistent thanks to our high fiber content and less fillers, allowing us to provide this multi-purpose carbonless sheet WITHOUT having to raise basis weight. Additionally, ExcelOne® offers you the environmental leader in carbonless forms with our greener technologies that include the NatureSolv® carbonless capsule system and CleanPress™CF. These technologies and the high quality runnability you've come to expect, ensure you that Glatfelter always delivers the best sheet for you every day.
