Dear Valued Customer,

Please be informed that TSTIMPRESO has been notified by its mill suppliers of price increases on both thermal paper and carbonless. Expect the thermal market to increase as much as 7%, while carbonless prices will increase approximately 6%.

Effective with shipments on August 1, 2017, TSTIMPRESO will increase pricing on the following products listed below:

- All Thermal Paper Receipt Rolls and ATM Rolls
- Carbonless Paper Receipt Rolls
- Carbonless Continuous Computer Paper

Please use this letter as your 30 day notice, and place your pre-increase orders accordingly.

If you have any questions regarding this increase, please contact your local TSTIMPRESO salesperson.

Thank you for your continued support of TSTIMPRESO.

Sincerely,

Todd Hartman
