

Treated Engineering Bond for HP Pagewide Printers

20 lb. Treated Bond designed to work with the new HP PageWide Printers. ImagePRO treated bond papers improve print contrast, produce crisp black lines, and allows for less ink absorption while providing vivid colors. ImagePRO treated papers also provide excellent toner adhesion on traditional xerographic printers and is environmentally friendly.

IMPRESO SKU #		Roll Size	Paper	Taped	Rolls / Carton	Weight / Carton

Please note the following abbreviation definitions:

"P" next to the SKU No. = items which are always stocked and available from TST manufacturing plants only.
 "W" next to the SKU No. = items which are always stocked and available in both TST manufacturing plants and warehouse locations.
 "S" next to the SKU No. = special make item. Not stocked, and must be produced to order with a one (1) pallet minimum per order.
 "X" next to the SKU No. = items which are stocked and available from Coppell, TX manufacturing plant only. Contact Customer Service for more information.

HP PageWide is a registered trademark of Hewlett Packard.

Many of Alliance Brand's high-quality coatings are suitable for and work very well with the HP PageWide XL equipment. Items listed below are engineered for fast-speed printing and quick-drying on the HP PageWide XL.

24555	S	24" x 500 FT	Translucent Bond		2	29

Please note the following abbreviation definitions:

"P" next to the SKU No. = items which are always stocked and available from TST manufacturing plants only..

"W" next to the SKU No. = items which are always stocked and available in both TST manufacturing plants and warehouse locations.

"S" next to the SKU No. = special make item. Not stocked, and must be produced to order with a one (1) pallet minimum per order.
