

For Use In:  
HP PagewideXL Printers®

# Treated ImagePRO Engineering Bond

Treated 20# and 24# bond for use in HP PagewideXL® Wide Format printers. ImagePro papers improve print contrast, produce crisp black lines, and allows for less ink absorption while providing vivid colors.

## Product Benefits

- Estimated 30% Better Color
- Estimated Ink Savings up to 30%!
- No Tracking
- No Ghosting

## Providing The Best Service Platform
