Waffletechnology Smart Card Reader Cleaning Card

Item # 2392

2.1" x 3.345" • 40 Cards Per Box

This Waffletechnology Smart Card Reader Cleaning Card is designed to thoroughly clean the interior components of various card readers, including credit/debit card readers and smart card readers.

Use as:

- A scheduled maintenance product to prevent information misreads.
- An emergency maintenance product to correct errors and misreads.

- Remove dirt, magnetic oxides, lotions and other contaminants
- Clean the entire surface of magnetic read heads and read/write pins (present in smart card readers)
- Cleans more thoroughly than traditional flat cards.

- **Save Money**

- **Performance Guaranteed**

- **Quick-Ship Locations:**

Dallas, Texas

Los Angeles, California

Chicago, Illinois

Honesdale, Pennsylvania
